## Principal Message:

Dissemination of education both in quality and spread must get highest priority if our nation is to pull out of the quagmire that we have sunk into. magnitude of the task demands mobilization of colossal efforts which are difficult for the Government to undertake in public sector alone. the challenge has to be shared by private sector NGOs and organizations. LINZ School and college is also contributing its share by providing quality education to the future of this nation.

## Linz at a Glance

Linz School and College is cadet a type Residential Institution. here cadet type environment is provided to students. The key feature of this institution is discipline. Here complete focus is given an the educational, moral, physical and mental developm-ent of student.

## INTRODUCTION

Educational institutions play an important role in meeting the individual and collective needs and aspirations of the people of a country. In our case, our aspirations are guided by Islamic ideology and rich historical heritage. It is, therefore, expedited to establish a standard institutions which can inculcate in the youth, the ideal and aspirations of the nation emphasizing spiritual values of equality, tolerance and social justice.

Our aspirations are also guided by modern education. It was a cherished desire to establish quality residential institution in D.I.Khan where the students of different districts of Pakistan including D.I.Khan, Laki Marwat, Tank etc. Can get good quality education. The college is initially going to be established in a rented building but in future inshAllah it will have its own building.

## MISSION

This institution is entrusted to educate and groom the students physically, mentally and intellectually with a view to polishing their intellect for their onward pursuits in practical life. The college is committed to provide modern quality education with emphasis on science and technology. Character and moral building by creating conducive environment including correct and balance approach based on belief of Islam and love of humanity.

## IMPORTANCE OF EDUCATION IN ISLAM

The revelation of the Holy Quran commenced with very teaching of the "Read" which is a manifestation of the significance of education in islam. The history of mankind is fraught with the instances of the importance of knowledge. Man is the voice regent of God on earth only because of his knowledge. On the creation of man, Angeles were ordered to bow before Adam, the first human being, due to his superiority upon them in term of knowledge. Moreover there are a number of traditions of the Holy Prophet (PBUH)throwing light upon the importance of education, about sixty non\_ believers were held as prisoners of war, whom the Holy Prophet gave the task of educating Muslims, at the completion of which they were set free. Because another tradition relating to education is, the ink of scholar is holier then the blood of martyr.
